Come and test your map reading skills at Paccar Scout Camp's Orienteering Competition

See if you can read a map, and navigate your team around our course in the quickest time.

Challenge your rivals, have a day out with your group and see some of the beautiful Buckinghamshire countryside.

Orienteering is an exciting outdoor adventure sport which involves walking or running whilst navigating around a course using a detailed map and sometimes a compass. The aim is to navigate in sequence between a set of control points and decide the best route to complete the course in the quickest time. It does not matter how young, old or fit you are, as you can run, walk or jog the course and progress at your own pace.
